(3) "integrated steel mill" means a person that produces steel by processing iron ore and other raw materials in a blast furnace in **Indiana**;

(4) "oil refinery/petrochemical company" means a person that produces a variety of petroleum products by processing an annual average of at least one hundred thousand (100,000) barrels of crude oil per day;

(5) "permanently retired depreciable personal property" has the meaning set forth in 50 IAC 4.2-4-3 (as in effect on January 1, 2003);

(6) "pool" refers to a pool established in 50 IAC 4.2-4-5(a) (as in effect on January 1, 2003);

(7) "special integrated steel mill or oil refinery/petrochemical equipment" means depreciable personal property, other than special tools and permanently retired depreciable personal property:

(A) that:

(i) is owned, leased, or used by an integrated steel mill or an entity that is at least fifty percent (50%) owned by an affiliate of an integrated steel mill; and

(ii) falls within Asset Class 33.4 as set forth in IRS Rev. Proc. 87-56, 1987-2, C.B. 647; or

(B) that:

(i) is owned, leased, or used as an integrated part of an oil refinery/petrochemical company or its affiliate; and

(9) "year of acquisition" refers to the year of acquisition determined under 50 IAC 4.2-4-6 (as in effect on January 1, 2003).

(b) Notwithstanding 50 IAC 4.2-4-4, 50 IAC 4.2-4-6, and 50 IAC 4.2-4-7, a taxpayer may elect to calculate the true tax value of the taxpayer's special integrated steel mill or oil refinery/petrochemical equipment by multiplying the adjusted cost of that equipment by the percentage set forth in the following table:

Year of Acquisition	Percentage
1	40%
2	56%
3	42%
4	32%

(c) The department of local government finance shall designate the table under subsection (b) as "Pool No. 5" on the business personal property tax return.

The equipment is entitled to all exemptions, credits, and deductions for which it qualifies.

(e) The minimum valuation limitations under 50 IAC 4.2-4-9 do not apply to special integrated steel mill or oil refinery/petrochemical equipment valued under this section. The value of the equipment is not included in the calculation of that minimum valuation limitation for the taxpayer's other assessable depreciable personal property in the taxing district.

(f) An election to value special integrated steel mill or oil refinery/petrochemical equipment under this section:

- (1) must be made by reporting the equipment under this section on a business personal property tax return;
- (2) applies to all of the taxpayer's special integrated steel mill or oil refinery/petrochemical equipment located in the state (whether owned or leased, or used as an integrated part of the equipment); and
- (3) is binding on the taxpayer for the assessment date for which the election is made.

The department of local government finance shall prescribe the forms to make the election beginning with the March 1, 2003, assessment date. Any special integrated steel mill or oil refinery/petrochemical equipment acquired by a taxpayer that has made an election under this section is valued under this section.

(g) If fifty percent (50%) or more of the adjusted cost of a taxpayer's property that would, notwithstanding this section, be reported in a pool other than Pool No. 5 is attributable to special integrated steel mill or oil refinery/petrochemical equipment, the taxpayer may elect to calculate the true tax value of all of that property as special integrated steel mill or oil refinery/petrochemical equipment. The true tax value of property for which an election is made under this subsection is calculated under subsections (b) through (f).

11 section, "assessment official" means any of the following:

12 (1) A county assessor.

13 (2) A township assessor.

14 (3) A township trustee-assessor.

15 (b) As used in this section, "department" refers to the
16 department of local government finance.

17 (c) If the department makes a determination and informs local
18 officials under section 31(c) of this chapter, the department may
19 order a state conducted assessment or reassessment in the county.

20 (d) If the department orders a state conducted assessment or
21 reassessment in a county, the department shall assume the duties
22 of the county's assessment officials. Notwithstanding sections 15
23 and 17 of this chapter, an assessment official in a county subject to
24 an order issued under this section may not assess property or have
25 property assessed for the assessment or general reassessment. Until
26 the state conducted assessment or reassessment is completed under
27 this section, the assessment or reassessment duties of an assessment
28 official in the county are limited to providing the department or a
29 contractor of the department the support and information
30 requested by the department or the contractor.

31 (e) Before assuming the duties of a county's assessment officials,
32 the department shall transmit a copy of the department's order
33 requiring a state conducted assessment or reassessment to the
34 county's assessment officials, the county fiscal body, the county
35 auditor, and the county treasurer. Notice of the department's
36 actions must be published one (1) time in a newspaper of general
37 circulation published in the county. The department is not required
38 to conduct a public hearing before taking action under this section.

39 (f) Township and county officials in a county subject to an order
40 issued under this section shall, at the request of the department or
41 the department's contractor, make available and provide access to
42 all:

related to the assessment or reassessment of real property in the county. The information described in this subsection must be provided at no cost to the department or the contractor of the department. A failure to provide information requested under this subsection constitutes a failure to perform a duty related to an assessment or a general reassessment and is subject to IC 6-1.1-37-2.

(g) The department may enter into a contract with a professional appraising firm to conduct an assessment or reassessment under this section. If a county or a township located in the county entered into a contract with a professional appraising firm to conduct the county's assessment or reassessment before the department orders a state conducted assessment or reassessment in the county under this section, the contract:

- (1) is as valid as if it had been entered into by the department; and
- (2) shall be treated as the contract of the department.

(h) After receiving the report of assessed values from the appraisal firm acting under a contract described in subsection (g), the department shall give notice to the taxpayer and the county assessor, by mail, of the amount of the assessment or reassessment. The notice of assessment or reassessment:

- (1) is subject to appeal by the taxpayer under section 31.7 of this chapter; and
- (2) must include a statement of the taxpayer's rights under section 31.7 of this chapter.

(i) The department shall forward a bill for services provided under a contract described in subsection (g) to the auditor of the county in which the state conducted reassessment occurs. The county shall pay the bill under the procedures prescribed by subsection (j).

(j) A county subject to an order issued under this section shall pay the cost of a contract described in subsection (g), without appropriation, from the county property reassessment fund. A

contractor may periodically submit bills for partial payment of work performed under the contract. Notwithstanding any other law, a contractor is entitled to payment under this subsection for work performed under a contract if the contractor:

- (1) submits to the department a fully itemized, certified bill in the form required by IC 5-11-10-1 for the costs of the work performed under the contract;
- (2) obtains from the department:
 - (A) approval of the form and amount of the bill; and
 - (B) a certification that the billed goods and services have been received and comply with the contract; and
- (3) files with the county auditor:
 - (A) a duplicate copy of the bill submitted to the department;
 - (B) proof of the department's approval of the form and amount of the bill; and
 - (C) the department's certification that the billed goods and services have been received and comply with the contract.

The department's approval and certification of a bill under subdivision (2) shall be treated as conclusively resolving the merits of a contractor's claim. Upon receipt of the documentation described in subdivision (3), the county auditor shall immediately certify that the bill is true and correct without further audit, publish the claim as required by IC 36-2-6-3, and submit the claim to the county executive. The county executive shall allow the claim, in full, as approved by the department, without further examination of the merits of the claim in a regular or special session that is held not less than three (3) days and not more than seven (7) days after the completion of the publication requirements under IC 36-2-6-3. Upon allowance of the claim by the county executive, the county auditor shall immediately issue a warrant or check for the full amount of the claim approved by the department. Compliance with this subsection constitutes compliance with IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and payment of a claim in compliance with this subsection is not subject to remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply to a claim submitted under this subsection. IC 5-11-10-1.6(d) applies to a fiscal officer who pays a claim in compliance with this subsection.

(k) Notwithstanding IC 4-13-2, a period of seven (7) days is permitted for each of the following to review and act under IC 4-13-2 on a contract of the department entered into under this

1 section:

2 (1) The commissioner of the Indiana department of
3 administration.

4 (2) The director of the budget agency.

5 (3) The attorney general.

6 (l) If money in the county's property reassessment fund is
7 insufficient to pay for an assessment or reassessment conducted
8 under this section, the department may increase the tax rate and
9 tax levy of the county's property reassessment fund to pay the cost
10 and expenses related to the assessment or reassessment.

11 (m) The department or the contractor of the department shall
12 use the land values determined under section 13.6 of this chapter
13 for a county subject to an order issued under this section to the
14 extent that the department or the contractor finds that the land
15 values reflect the true tax value of land, as determined under this
16 article and the rules of the department. If the department or the
17 contractor finds that the land values determined for the county
18 under section 13.6 of this chapter do not reflect the true tax value
19 of land, the department or the contractor shall determine land
20 values for the county that reflect the true tax value of land, as
21 determined under this article and the rules of the department.
22 Land values determined under this subsection shall be used to the
23 same extent as if the land values had been determined under
24 section 13.6 of this chapter. The department or the contractor of
25 the department shall notify the county's assessment officials of the
26 land values determined under this subsection.

27 (n) A contractor of the department may notify the department
28 if:

29 (1) a county auditor fails to:

30 (A) certify the contractor's bill;

31 (B) publish the contractor's claim;

32 (C) submit the contractor's claim to the county executive;
33 or

34 (D) issue a warrant or check for payment of the
35 contractor's bill;

36 as required by subsection (j) at the county auditor's first legal
37 opportunity to do so;

38 (2) a county executive fails to allow the contractor's claim as
39 legally required by subsection (j) at the county executive's
40 first legal opportunity to do so; or

41 (3) a person or an entity authorized to act on behalf of the
42 county takes or fails to take an action, including failure to

request an appropriation, and that action or failure to act delays or halts progress under this section for payment of the contractor's bill.

(o) The department, upon receiving notice under subsection (n) from a contractor of the department, shall:

(1) verify the accuracy of the contractor's assertion in the notice that:

(A) a failure occurred as described in subsection (n)(1) or (n)(2); or

(B) a person or an entity acted or failed to act as described in subsection (n)(3); and

(2) provide to the treasurer of state the department's approval under subsection (j)(2)(A) of the contractor's bill with respect to which the contractor gave notice under subsection (n).

(p) Upon receipt of the department's approval of a contractor's bill under subsection (o), the treasurer of state shall pay the contractor the amount of the bill approved by the department from money in the possession of the state that would otherwise be available for distribution to the county, including distributions from the property tax replacement fund or distribution of admissions taxes or wagering taxes.

(q) The treasurer of state shall withhold from the money that would be distributed under IC 4-33-12-6, IC 4-33-13-5, IC 6-1.1-21-4(b), or any other law to a county described in a notice provided under subsection (n) the amount of a payment made by the treasurer of state to the contractor of the department under subsection (p). Money shall be withheld first from the money payable to the county under IC 6-1.1-21-4(b) and then from all other sources payable to the county.

(r) Compliance with subsections (n) through (q) constitutes compliance with IC 5-11-10.

(s) IC 5-11-10-1.6(d) applies to the treasurer of state with respect to the payment made in compliance with subsections (n) through (q). This subsection and subsections (n) through (q) must be interpreted liberally so that the state shall, to the extent legally valid, ensure that the contractual obligations of a county subject to this section are paid. Nothing in this section shall be construed to create a debt of the state.

(t) The provisions of this section are severable as provided in IC 1-1-1-8(b).

SECTION 19. IC 6-1.1-21-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) Each year the department shall allocate from the property tax replacement fund an amount equal to the sum of:

(1) each county's total eligible property tax replacement amount for that year; plus

(2) the total amount of homestead tax credits that are provided under IC 6-1.1-20.9 and allowed by each county for that year; plus

(3) an amount for each county that has one (1) or more taxing districts that contain all or part of an economic development district that meets the requirements of section 5.5 of this chapter. This amount is the sum of the amounts determined under the following STEPS for all taxing districts in the county that contain all or part of an economic development district:

STEP ONE: Determine that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the subdivision (1) amount that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(b) Except as provided in subsection (e), between March 1 and August 31 of each year, the department shall distribute to each county treasurer from the property tax replacement fund one-half (1/2) of the estimated distribution for that year for the county. Between September 1 and December 15 of that year, the department shall distribute to each county treasurer from the property tax replacement fund the remaining one-half (1/2) of each estimated distribution for that year. (c) On or before December 31 of each year or as soon thereafter as possible, the department shall make a final determination of the amount which should be distributed from the property tax replacement fund to each county for that calendar year. This determination shall be known as the final determination of distribution. The department shall distribute to the county treasurer or receive back from the county treasurer any deficit or excess, as the case may be, between the sum of the distributions made for that calendar year based on the estimated distribution and the final determination of distribution. The final determination of distribution shall be based on the auditor's abstract filed with the auditor of state, adjusted for postabstract adjustments included in the December settlement sheet for the year, and such additional information as the department may require.

(d) All distributions provided for in this section shall be made on warrants issued by the auditor of state drawn on the treasurer of state. If the amounts allocated by the department from the property tax replacement fund exceed in the aggregate the balance of money in the fund, then the amount of the deficiency shall be transferred from the state general fund to the property tax replacement fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the payment of that amount. However, any amount transferred under this section from the general fund to the property tax replacement fund shall, as soon as funds are available in the property tax replacement fund, be retransferred from the property tax replacement fund to the state general fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the replacement of that amount.

(e) Except as provided in subsection (f) **(g) and subject to subsection (h),** the department shall not distribute under subsection (b) and section 10 of this chapter **a percentage determined by the department of the money attributable to the county's property reassessment fund that would otherwise be distributed to the county under subsection (b) and section 10 of this chapter** if:

The portion not distributed is the amount that bears the same proportion to the total potential distribution as the number of townships in the county for which data was not transmitted by October 1 as described in this section bears to the total number of townships in the county.

(g) (f) Except as provided in subsection (i), money not distributed for the reasons stated in subsection (c)(1) and (c)(2) (e) shall be distributed to the county when

(c) The obligation to repay a loan made under this chapter is not a basis for the qualified taxing unit to obtain an excessive tax levy under IC 6-1.1-18.5 or IC 6-1.1-19.

(d) Whenever the board receives a payment on a loan made under this chapter, the board shall deposit the amount paid in the counter-cyclical revenue and economic stabilization fund.

**C

P
Y**

(d) If the department orders a state conducted assessment or reassessment in a county, the department shall assume the duties of the county's assessment officials. Notwithstanding sections 15 and 17 of this chapter, an assessment official in a county subject to an order issued under this section may not assess property or have property assessed for the assessment or general reassessment. Until the state conducted assessment or reassessment is completed under this section, the assessment or reassessment duties of an assessment official in the county are limited to providing the department or a contractor of the department the support and information requested by the department or the contractor.

(e) Before assuming the duties of a county's assessment officials, the department shall transmit a copy of the department's order requiring a state conducted assessment or reassessment to the county's assessment officials, the county fiscal body, the county auditor, and the county treasurer. Notice of the department's actions must be published one (1) time in a newspaper of general circulation published in the county. The department is not required to conduct a public hearing before taking action under this section.

(f) Township and county officials in a county subject to an order issued under this section shall, at the request of the department or the department's contractor, make available and provide access to all:

- (1) data;
- (2) records;
- (3) maps;
- (4) parcel record cards;
- (5) forms;

related to the assessment or reassessment of real property in the county. The information described in this subsection must be provided at no cost to the department or the contractor of the department. A failure to provide information requested under this subsection constitutes a failure to perform a duty related to an assessment or a general reassessment and is subject to IC 6-1.1-37-2.

(g) The department may enter into a contract with a professional appraising firm to conduct an assessment or reassessment under this section. If a county or a township located in the county entered into a contract with a professional appraising

**C
O

firm to conduct the county's assessment or reassessment before the department orders a state conducted assessment or reassessment in the county under this section, the contract:

(1) is as valid as if it had been entered into by the department; and

(2) shall be treated as the contract of the department.

(h) After receiving the report of assessed values from the appraisal firm acting under a contract described in subsection (g), the department shall give notice to the taxpayer and the county assessor, by mail, of the amount of the assessment or reassessment. The notice of assessment or reassessment:

(1) is subject to appeal by the taxpayer under section 31.7 of this chapter; and

(2) must include a statement of the taxpayer's rights under section 31.7 of this chapter.

(i) The department shall forward a bill for services provided under a contract described in subsection (g) to the auditor of the county in which the state conducted reassessment occurs. The county shall pay the bill under the procedures prescribed by subsection (j).

(j) A county subject to an order issued under this section shall pay the cost of a contract described in subsection (g), without appropriation, from county funds. A contractor may periodically submit bills for partial payment of work performed under the contract. Notwithstanding any other law, a contractor is entitled to payment under this subsection for work performed under a contract if the contractor:

(1) submits to the department a fully itemized, certified bill in the form required by IC 5-11-10-1 for the costs of the work performed under the contract;

(2) obtains from the department:

(A) approval of the form and amount of the bill; and

(3) files with the county auditor:

(A) a duplicate copy of the bill submitted to the department;

(B) proof of the department's approval of the form and amount of the bill; and

(C) the department's certification that the billed goods and services have been received and comply with the contract.

The department's approval and certification of a bill under

C
O
P

subdivision (2) shall be treated as conclusively resolving the merits of a contractor's claim. Upon receipt of the documentation described in subdivision (3), the county auditor shall immediately certify that the bill is true and correct without further audit, publish the claim as required by IC 36-2-6-3, and submit the claim to the county executive. The county executive shall allow the claim, in full, as approved by the department, without further examination of the merits of the claim in a regular or special session that is held not less than three (3) days and not more than seven (7) days after the completion of the publication requirements under IC 36-2-6-3. Upon allowance of the claim by the county executive, the county auditor shall immediately issue a warrant or check for the full amount of the claim approved by the department. Compliance with this subsection constitutes compliance with IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and payment of a claim in compliance with this subsection is not subject to remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply to a claim submitted under this subsection. IC 5-11-10-1.6(d) applies to a fiscal officer who pays a claim in compliance with this subsection.

(k) Notwithstanding IC 4-13-2, a period of seven (7) days is permitted for each of the following to review and act under IC 4-13-2 on a contract of the department entered into under this section:

- (1) The commissioner of the Indiana department of administration.
- (2) The director of the budget agency.
- (3) The attorney general.

(l) If county funds are insufficient to pay for an assessment or reassessment conducted under this section, the department may increase the tax rate and tax levy of the county to pay the cost and expenses related to the assessment or reassessment.

(m) The department or the contractor of the department shall use the land values determined under section 13.6 of this chapter for a county subject to an order issued under this section to the extent that the department or the contractor finds that the land values reflect the true tax value of land, as determined under this article and the rules of the department. If the department or the contractor finds that the land values determined for the county under section 13.6 of this chapter do not reflect the true tax value of land, the department or the contractor shall determine land values for the county that reflect the true tax value of land, as

**C

determined under this article and the rules of the department. Land values determined under this subsection shall be used to the same extent as if the land values had been determined under section 13.6 of this chapter. The department or the contractor of the department shall notify the county's assessment officials of the land values determined under this subsection.

(n) A contractor of the department may notify the department if:

- (1) a county auditor fails to:
 - (A) certify the contractor's bill;
 - (B) publish the contractor's claim;
 - (C) submit the contractor's claim to the county executive;
 - or
 - (D) issue a warrant or check for payment of the contractor's bill;

as required by subsection (j) at the county auditor's first legal opportunity to do so;

- (2) a county executive fails to allow the contractor's claim as legally required by subsection (j) at the county executive's first legal opportunity to do so; or

- (3) a person or an entity authorized to act on behalf of the county takes or fails to take an action, including failure to request an appropriation, and that action or failure to act delays or halts progress under this section for payment of the contractor's bill.

(o) The department, upon receiving notice under subsection (n) from a contractor of the department, shall:

- (1) verify the accuracy of the contractor's assertion in the notice that:

- (A) a failure occurred as described in subsection (n)(1) or (n)(2); or

- (B) a person or an entity acted or failed to act as described in subsection (n)(3); and

- (2) provide to the treasurer of state the department's approval under subsection (j)(2)(A) of the contractor's bill with respect to which the contractor gave notice under subsection (n).

(p) Upon receipt of the department's approval of a contractor's bill under subsection (o), the treasurer of state shall pay the contractor the amount of the bill approved by the department from money in the possession of the state that would otherwise be available for distribution to the county, including distributions from the property tax replacement fund or distribution of

admissions taxes or wagering taxes.

(q) The treasurer of state shall withhold from the money that would be distributed under IC 4-33-12-6, IC 4-33-13-5, IC 6-1.1-21-4(b), or any other law to a county described in a notice provided under subsection (n) the amount of a payment made by the treasurer of state to the contractor of the department under subsection (p). Money shall be withheld first from the money payable to the county under IC 6-1.1-21-4(b) and then from all other sources payable to the county.

(r) Compliance with subsections (n) through (q) constitutes compliance with IC 5-11-10.

(s) IC 5-11-10-1.6(d) applies to the treasurer of state with respect to the payment made in compliance with subsections (n) through (q). This subsection and subsections (n) through (q) must be interpreted liberally so that the state shall, to the extent legally valid, ensure that the contractual obligations of a county subject to this section are paid. Nothing in this section shall be construed to create a debt of the state.

(t) The provisions of this section are severable as provided in IC 1-1-1-8(b).

SECTION 10. IC 6-1.1-4-31.6 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 31.6. (a) Subject to the other requirements of this section, the department of local government finance may:

SECTION 14. IC 6-1.1-15-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 4. (a) After receiving a petition for review which is filed under section 3 of this chapter, the Indiana board shall conduct a hearing at its earliest opportunity. The Indiana board may:

parties of the date and time of the site inspection. The Indiana board is not required to assess the property in question. The Indiana board shall give notice of the date fixed for the hearing, by mail, to the taxpayer and to the appropriate township assessor, county assessor, and county auditor. The Indiana board shall give these notices at least thirty (30) days before the day fixed for the hearing. The property tax assessment board of appeals that made the determination under appeal under this section may, with the approval of the county executive, file an amicus curiae brief in the review proceeding under this section. The expenses incurred by the property tax assessment board of appeals in filing the amicus curiae brief shall be paid from the property reassessment fund **or other funds available for assessment or reassessment purposes** under IC 6-1.1-4-27.5. The executive of a taxing unit may file an amicus curiae brief in the review proceeding under this section if the property whose assessment is under appeal is subject to assessment by that taxing unit.

(b) If a petition for review does not comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter, the Indiana board shall return the petition to the petitioner and include a notice describing the defect in the petition. The petitioner then has thirty (30) days from the date on the notice to cure the defect and file a corrected petition. The Indiana board shall deny a corrected petition for review if it does not substantially comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter.

(c) The Indiana board shall prescribe a form for use in processing petitions for review of actions by the county property tax assessment board of appeals. The Indiana board shall issue instructions for completion of the form. The form must require the Indiana board to indicate agreement or disagreement with each item that is:

- (1) if the county or township official held a preliminary conference under section 1(f) of this chapter, indicated on the petition submitted under that section by the taxpayer and the official; and
- (2) included in the county property tax assessment board of appeals' findings, record, and determination under section 2.1(c) of this chapter.

The form must also require the Indiana board to indicate the issues in dispute and its reasons in support of its resolution of those issues.

(d) After the hearing the Indiana board shall give the petitioner, the township assessor, the county assessor, and the county auditor:

- (1) notice, by mail, of its final determination;

C
o
p
y

- (2) a copy of the form completed under subsection (c); and
- (3) notice of the procedures they must follow in order to obtain court review under section 5 of this chapter.

(e) Except as provided in subsection (f), the Indiana board shall conduct a hearing not later than nine (9) months after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(f) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a general reassessment of real property takes effect under IC 6-1.1-4-4, the Indiana board shall conduct a hearing not later than one (1) year after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(g) Except as provided in subsection (h), the Indiana board shall make a determination not later than the later of ninety (90) days after the hearing or the date set in an extension order issued by the Indiana board.

(h) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a general reassessment of real property takes effect under IC 6-1.1-4-4, the Indiana board shall make a determination not later than the later of one hundred eighty (180) days after the hearing or the date set in an extension order issued by the Indiana board.

(i) Except as provided in subsection (n), the Indiana board may not extend the final determination date under subsection (g) or (h) by more than one hundred eighty (180) days. If the Indiana board fails to make a final determination within the time allowed by this subsection, the entity that initiated the petition may:

- (1) take no action and wait for the Indiana board to make a final determination; or
- (2) petition for judicial review under section 5(g) of this chapter.

(j) A final determination must include separately stated findings of fact for all aspects of the determination. Findings of ultimate fact must be accompanied by a concise statement of the underlying basic facts of record to support the findings. Findings must be based exclusively upon the evidence on the record in the proceeding and on matters officially noticed in the proceeding. Findings must be based upon a preponderance of the evidence.

(k) The Indiana board may limit the scope of the appeal to the issues raised in the petition and the evaluation of the evidence presented to the county property tax assessment board of appeals in support of those issues only if all persons participating in the hearing required under

**C
o
p

subsection (a) agree to the limitation. A person participating in the hearing required under subsection (a) is entitled to introduce evidence that is otherwise proper and admissible without regard to whether that evidence has previously been introduced at a hearing before the county property tax assessment board of appeals.

(l) The Indiana board:

(1) may require the parties to the appeal to file not more than five (5) business days before the date of the hearing required under subsection (a) documentary evidence or summaries of statements of testimonial evidence; and

(2) may require the parties to the appeal to file not more than fifteen (15) business days before the date of the hearing required under subsection (a) lists of witnesses and exhibits to be introduced at the hearing.

(m) A party to a proceeding before the Indiana board shall provide to another party to the proceeding the information described in subsection (l) if the other party requests the information in writing at least ten (10) days before the deadline for filing of the information under subsection (l).

(n) The county assessor may:

(1) appear as an additional party if the notice of appearance is filed before the review proceeding; or

(2) with the approval of the township assessor, represent the township assessor;

in a review proceeding under this section.

(o) The Indiana board may base its final determination on a stipulation between the respondent and the petitioner. If the final determination is based on a stipulated assessed valuation of tangible property, the Indiana board may order the placement of a notation on the permanent assessment record of the tangible property that the assessed valuation was determined by stipulation. The Indiana board may:

(1) order that a final determination under this subsection has no precedential value; or

(2) specify a limited precedential value of a final determination under this subsection.

SECTION 15. IC 6-1.1-15-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 5. (a) Not later than fifteen (15) days after the Indiana board gives notice of its final determination under section 4 of this chapter to the party or the maximum allowable time for the issuance of a final determination by the Indiana board under section 4 of this chapter expires, a party to the

proceeding may request a rehearing before the Indiana board. The Indiana board may conduct a rehearing and affirm or modify its final determination, giving the same notices after the rehearing as are required by section 4 of this chapter. The Indiana board has fifteen (15) days after receiving a petition for a rehearing to determine whether to grant a rehearing. Failure to grant a rehearing not later than fifteen (15) days after receiving the petition shall be treated as a final determination to deny the petition. A petition for a rehearing does not toll the time in which to file a petition for judicial review unless the petition for rehearing is granted. If the Indiana board determines to rehear a final determination, the Indiana board:

- (1) may conduct the additional hearings that the Indiana board determines necessary or review the written record without additional hearings; and
- (2) shall issue a final determination not later than ninety (90) days after notifying the parties that the Indiana board will rehear the final determination.

If ~~of~~ the Indiana board fails to make a final determination within the time allowed under subdivision (2), the entity that initiated the petition for rehearing may take no action and wait for the Indiana board to make a final determination or petition for judicial review under subsection (g).

(b) A person may petition for judicial review of the final determination of the Indiana board regarding the assessment of that person's tangible property. The action shall be taken to the tax court under IC 4-21.5-5. Petitions for judicial review may be consolidated at the request of the appellants if it can be done in the interest of justice. The property tax assessment board of appeals that made the determination under appeal under this section may, with the approval of the county executive, file an amicus curiae brief in the review proceeding under this section. The expenses incurred by the property tax assessment board of appeals in filing the amicus curiae brief shall be paid from the property reassessment fund **or other funds available for assessment or reassessment purposes** under IC 6-1.1-4-27.5. In addition, the executive of a taxing unit may file an amicus curiae brief in the review proceeding under this section if the property whose assessment is under appeal is subject to assessment by that taxing unit. The department of local government finance may intervene in an action taken under this subsection if the interpretation of a rule of the department is at issue in the action. A township assessor, county assessor, member of a county property tax assessment board of appeals, or county property tax assessment board of appeals that made the

C

original assessment determination under appeal under this section is a party to the review under this section to defend the determination.

(c) Except as provided in subsection (g), to initiate a proceeding for judicial review under this section, a person must take the action required by subsection (b) not later than:

- (1) forty-five (45) days after the Indiana board gives the person notice of its final determination, unless a rehearing is conducted under subsection (a); or
- (2) thirty (30) days after the Indiana board gives the person notice under subsection (a) of its final determination, if a rehearing is conducted under subsection (a) or the maximum time elapses for the Indiana board to make a determination under this section.

(d) The failure of the Indiana board to conduct a hearing within the period prescribed in section 4(f) or 4(g) of this chapter does not constitute notice to the person of an Indiana board final determination.

(e) The county executive may petition for judicial review to the tax court in the manner prescribed in this section upon request by the county assessor or elected township assessor.

(f) If the county executive determines upon a request under this subsection to not appeal to the tax court:

- (1) the entity described in subsection (b) that made the original determination under appeal under this section may take an appeal to the tax court in the manner prescribed in this section using funds from that entity's budget; and
- (2) the petitioner may not be represented by the attorney general in an action described in subdivision (1).

(g) If the maximum time elapses for the Indiana board to give notice of its final determination under subsection (a) or section 4 of this chapter, a person may initiate a proceeding for judicial review by taking the action required by subsection (b) at any time after the maximum time elapses. If:

- (1) a judicial proceeding is initiated under this subsection; and
- (2) the Indiana board has not issued a determination;

the tax court shall determine the matter de novo.

SECTION 16. IC 6-1.1-21-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) Each year the department shall allocate from the property tax replacement fund an amount equal to the sum of:

plus

(3) an amount for each county that has one (1) or more taxing districts that contain all or part of an economic development district that meets the requirements of section 5.5 of this chapter. This amount is the sum of the amounts determined under the following STEPS for all taxing districts in the county that contain all or part of an economic development district:

STEP ONE: Determine that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the subdivision (1) amount that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(b) Except as provided in subsection (e), between March 1 and August 31 of each year, the department shall distribute to each county treasurer from the property tax replacement fund one-half (1/2) of the estimated distribution for that year for the county. Between September 1 and December 15 of that year, the department shall distribute to each county treasurer from the property tax replacement fund the remaining one-half (1/2) of each estimated distribution for that year. The amount of the distribution for each of these periods shall be according to a schedule determined by the property tax replacement fund board under section 10 of this chapter. The estimated distribution for each county may be adjusted from time to time by the department to reflect any changes in the total county tax levy upon which the estimated distribution is based.

(c) On or before December 31 of each year or as soon thereafter as possible, the department shall make a final determination of the amount which should be distributed from the property tax replacement fund to each county for that calendar year. This determination shall be known as the final determination of distribution. The department shall distribute to the county treasurer or receive back from the county treasurer any deficit or excess, as the case may be, between the sum of the distributions made for that calendar year based on the estimated distribution and the final determination of distribution. The final determination of distribution shall be based on the auditor's abstract filed with the auditor of state, adjusted for postabstract adjustments

included in the December settlement sheet for the year, and such additional information as the department may require.

(d) All distributions provided for in this section shall be made on warrants issued by the auditor of state drawn on the treasurer of state. If the amounts allocated by the department from the property tax replacement fund exceed in the aggregate the balance of money in the fund, then the amount of the deficiency shall be transferred from the state general fund to the property tax replacement fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the payment of that amount. However, any amount transferred under this section from the general fund to the property tax replacement fund shall, as soon as funds are available in the property tax replacement fund, be retransferred from the property tax replacement fund to the state general fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the replacement of that amount.

(e) Except as provided in subsection (f) **(g) and subject to subsection (h)**, the department shall not distribute under subsection (b) and section 10 of this chapter **a percentage determined by the department of the money attributable to the county's property reassessment fund that would otherwise be distributed to the county under subsection (b) and section 10 of this chapter if:**

- (1) by the date the distribution is scheduled to be made, the county auditor has not sent a certified statement required to be sent by that date under IC 6-1.1-17-1 to the department of local government finance;
- (2) by the deadline under IC 36-2-9-20, the county auditor has not transmitted data as required under that section; **or**
- (3) the county assessor has not forwarded to the department of local government finance the duplicate copies of all approved exemption applications required to be forwarded by that date under IC 6-1.1-11-8(a);
- (4) the county assessor has not forwarded to the department of local government finance in a timely manner sales disclosure forms under IC 6-1.1-5.5-3(b);**
- (5) local assessing officials have not provided information to the department of local government finance in a timely manner under IC 4-10-13-5(b);**
- (6) the county auditor has not paid a bill for services under IC 6-1.1-4-31.5 to the department of local government finance in a timely manner;**

The portion not distributed is the amount that bears the same proportion to the total potential distribution as the number of townships in the county for which data was not transmitted by October 1 as described in this section bears to the total number of townships in the county.

(g) (f) Except as provided in subsection (i), money not distributed for the reasons stated in subsection (c)(1) and (c)(2) (c) shall be distributed to the county when

(1) the county auditor sends to the department of local government finance the certified statement required to be sent under IC 6-1.1-17-1; and

(2) the county assessor forwards to the department of local government finance the approved exemption applications required to be forwarded under IC 6-1.1-11-8(a);

with respect to which the failure to send or forward resulted in the withholding of the distribution under subsection (c).

(h) Money not distributed under subsection (f) shall be distributed to the county when the elected township assessors in the county; the elected township assessors and the county assessor; or the county assessor transmits to the department of local government finance the data required to be transmitted under IC 6-1.1-4-25(b) with respect to which the failure to transmit resulted in the withholding of the distribution under subsection (f); determines that the failure to:

(1) provide information; or

(2) pay a bill for services;
has been corrected.

(i) (g) The restrictions on distributions under ~~subsections~~
~~subsection (e) and (f)~~ do not apply if the department of local
government finance determines that

(1) the failure of:

(A) a county auditor to send a certified statement; or

(B) a county assessor to forward copies of all approved
exemption applications;

as described in subsection (e); or

(2) the failure of an official to transmit data as described in
subsection (f);

to:

(1) provide information; or

(2) pay a bill for services;

in a timely manner is justified by unusual circumstances.

(h) The department shall give the county auditor at least thirty
(30) days notice in writing before withholding a distribution under
subsection (e).

(i) Money not distributed for the reason stated in subsection
(e)(6) may be deposited in the fund established by
IC 6-1.1-5.5-4.7(a). Money deposited under this subsection is not
subject to distribution under subsection (f).

(c) If the department of local government finance determines under subsection (a) of this chapter to initiate a review with respect to personal property within a township or county, or a part of the personal property within a township or county, the division of data analysis of the department shall determine for the personal property under consideration and for the township or county the variance between:

- (1) the total assessed valuation of the personal property within the township or county; and
- (2) the total assessed valuation that would result if the personal property within the township or county were valued in the manner provided by law.

(d) The determination of the department of local government finance under section 2 or 3 of this chapter must be based on a statistically valid assessment ratio study.

(e) If a determination of the department of local government finance to order a special reassessment under this chapter is based on a coefficient of dispersion study, the department shall publish the coefficient of dispersion study for the township or county in accordance with IC 5-3-1-2(j).

(f) If:

- (1) the variance determined under subsection (b) or (c) exceeds twenty percent (20%); and
- (2) the department of local government finance determines after holding hearings on the matter that a special reassessment should be conducted;

the department shall contract for a special reassessment to be conducted to correct the valuation of the property.

(g) If the variance determined under subsection (b) or (c) is twenty percent (20%) or less, the department of local government finance shall determine whether to correct the valuation of the property under:

- (3) notify the taxpayer as required under IC 6-1.1-14.

(j) A reassessment or adjustment may be made under this section only if the notice of the final determination is given to the taxpayer within the same period prescribed in IC 6-1.1-9-3 or IC 6-1.1-9-4.

(k) If the department of local government finance contracts for a special reassessment of property under this chapter, the department shall forward the bill for services of the reassessment contractor to the county auditor, and the county shall pay the bill from the county reassessment fund **or other funds available for assessment or reassessment purposes.**

If the claim is allowed, the county auditor shall, without an appropriation being required, issue a warrant to the claimant payable from the county general fund for the amount due the claimant under this SECTION. The amount of the refund must equal the amount of the claim allowed. Notwithstanding IC 6-1.1-26-5, no interest is payable on the refund.

COMMITTEE REPORT

Mr. Speaker: Your Committee on Ways and Means, to which was referred Senate Bill 327, has had the same under consideration and begs leave to report the same back to the House with the recommendation that said bill be amended as follows:

Page 1, between the enacting clause and line 1, begin a new paragraph and insert:

"SECTION 1. IC 6-1.1-1-3.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 3.5. "Base rate" means the statewide agricultural land base rate value per acre used to determine the true tax value of agricultural land under:**

- (1) the real property assessment guidelines of the department of local government finance; or**
- (2) rules or guidelines of the department of local government finance that succeed the guidelines referred to in subdivision (1).**

SECTION 2. IC 6-1.1-3-23 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004 (RETROACTIVE)]:

Sec. 23. (a) For purposes of this section:

- (1) "adjusted cost" refers to the adjusted cost established in 50 IAC 4.2-4-4 (as in effect on January 1, 2003);
- (2) "depreciable personal property" has the meaning set forth in 50 IAC 4.2-4-1 (as in effect on January 1, 2003);
- (3) "integrated steel mill" means a person that produces steel by processing iron ore and other raw materials in a blast furnace **in Indiana;**
- (4) "oil refinery/petrochemical company" means a person that produces a variety of petroleum products by processing an annual average of at least one hundred thousand (100,000) barrels of crude oil per day;
- (5) "permanently retired depreciable personal property" has the meaning set forth in 50 IAC 4.2-4-3 (as in effect on January 1, 2003);
- (6) "pool" refers to a pool established in 50 IAC 4.2-4-5(a) (as in effect on January 1, 2003);
- (7) "special integrated steel mill or oil refinery/petrochemical equipment" means depreciable personal property, other than special tools and permanently retired depreciable personal property:
 - (A) that:
 - (i) is owned, leased, or used by an integrated steel mill or an

C
o
p

entity that is at least fifty percent (50%) owned by an affiliate of an integrated steel mill; and

(ii) falls within Asset Class 33.4 as set forth in IRS Rev. Proc. 87-56, 1987-2, C.B. 647; or

(B) that:

(i) is owned, leased, or used as an integrated part of an oil refinery/petrochemical company or its affiliate; and

(ii) falls within Asset Class 13.3 or 28.0 as set forth in IRS Rev. Proc. 87-56, 1987-2, C.B. 647;

(8) "special tools" has the meaning set forth in 50 IAC 4.2-6-2 (as in effect on January 1, 2003); and

(9) "year of acquisition" refers to the year of acquisition determined under 50 IAC 4.2-4-6 (as in effect on January 1, 2003).

(b) Notwithstanding 50 IAC 4.2-4-4, 50 IAC 4.2-4-6, and 50 IAC 4.2-4-7, a taxpayer may elect to calculate the true tax value of the taxpayer's special integrated steel mill or oil refinery/petrochemical equipment by multiplying the adjusted cost of that equipment by the percentage set forth in the following table:

Year of Acquisition	Percentage
1	40%
2	56%
3	42%
4	32%
5	24%
6	18%
7	15%
8 and older	10%

(c) The department of local government finance shall designate the table under subsection (b) as "Pool No. 5" on the business personal property tax return.

(d) The percentage factors in the table under subsection (b) automatically reflect all adjustments for depreciation and obsolescence, including abnormal obsolescence, for special integrated steel mill or oil refinery/petrochemical equipment. The equipment is entitled to all exemptions, credits, and deductions for which it qualifies.

(e) The minimum valuation limitations under 50 IAC 4.2-4-9 do not apply to special integrated steel mill or oil refinery/petrochemical equipment valued under this section. The value of the equipment is not included in the calculation of that minimum valuation limitation for the taxpayer's other assessable depreciable personal property in the taxing district.

C
o
p
y

(f) An election to value special integrated steel mill or oil refinery/petrochemical equipment under this section:

- (1) must be made by reporting the equipment under this section on a business personal property tax return;
- (2) applies to all of the taxpayer's special integrated steel mill or oil refinery/petrochemical equipment located in the state (whether owned or leased, or used as an integrated part of the equipment); and
- (3) is binding on the taxpayer for the assessment date for which the election is made.

The department of local government finance shall prescribe the forms to make the election beginning with the March 1, 2003, assessment date. Any special integrated steel mill or oil refinery/petrochemical equipment acquired by a taxpayer that has made an election under this section is valued under this section.

(g) If fifty percent (50%) or more of the adjusted cost of a taxpayer's property that would, notwithstanding this section, be reported in a pool other than Pool No. 5 is attributable to special integrated steel mill or oil refinery/petrochemical equipment, the taxpayer may elect to calculate the true tax value of all of that property as special integrated steel mill or oil refinery/petrochemical equipment. The true tax value of property for which an election is made under this subsection is calculated under subsections (b) through (f)."

Page 2, line 9, after "(b)" insert "**Subject to subsections (e) and (f),**".

Page 2, line 9, delete "The" and insert "the".

Page 2, between lines 37 and 38, begin a new paragraph and insert:

"(e) The annual adjustment of the assessed value of real property that would otherwise apply under this section for property taxes first due and payable in 2007 is phased in so that:

- (1) one-fifth (1/5) of the adjustment applies for property taxes first due and payable in 2007;**
- (2) an additional one-fifth (1/5) of the adjustment applies for property taxes first due and payable in 2008;**
- (3) an additional one-fifth (1/5) of the adjustment applies for property taxes first due and payable in 2009;**
- (4) an additional one-fifth (1/5) of the adjustment applies for property taxes first due and payable in 2010; and**
- (5) an additional one-fifth (1/5) of the adjustment applies for property taxes first due and payable in 2011.**

(f) The adjustments under subsection (e) for taxes first due and payable in 2008, 2009, 2010, and 2011 are in addition to any

**C

adjustments determined for those years under this section, which are determined based on the assessed value determined without the application of the adjustments under subsection (e)."

Page 3, between lines 5 and 6, begin a new paragraph and insert:

"SECTION 5. IC 6-1.1-4-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13. (a) In assessing or reassessing land, the land shall be assessed as agricultural land only when it is devoted to agricultural use.

(b) The department of local government finance shall give written notice to each county assessor of:

- (1) the availability of the United States Department of Agriculture's soil survey data; and
- (2) the appropriate soil productivity factor for each type or classification of soil shown on the United States Department of Agriculture's soil survey map.

All assessing officials and the property tax assessment board of appeals shall use the data in determining the true tax value of agricultural land.

(c) The department of local government finance shall by rule provide for the method for determining the true tax value of each parcel of agricultural land.

(d) This section does not apply to land purchased for industrial, commercial, or residential uses.

(e) Before the assessment date in 2007, the department of local government finance shall, based on the department's best estimates, determine the base rate for the assessment date in 2007 in the amount of four hundred ninety-five dollars (\$495) per acre multiplied by the quotient of:

- (1) the remainder of:
 - (A) the assessed value of real property other than agricultural land as of the assessment date in 2007; minus
 - (B) the sum of:
 - (i) the assessed value as of the assessment date in 2007 of real property constructed after the assessment date in 2001; plus

(f) This subsection applies to each calendar year after 2007. Before the assessment date in the current year, the department of local government finance shall, based on the department's best estimates, determine the base rate for the assessment date for the current year in the amount of the base rate determined under subsection (e) or this subsection for the assessment date in the immediately preceding year multiplied by the quotient of:

(1) the remainder of:

 the immediately preceding year to the assessed value of
 real property other than agricultural land.

(g) For purposes of subsections (e)(1)(B)(ii) and (f)(1)(B)(ii), use
 of real property as of the current assessment date that is different
 from the use as of a previous assessment date is evidenced by:

(1) for a reason other than a change in the rules of the
 department of local government finance, applicability as of
 the current assessment date of an assessment methodology
 under the rules for the assessment of real property different
 from the assessment methodology that applied for the
 previous assessment date; or

(2) eligibility status of the real property as of the current
 assessment date for a credit or deduction under this article
 different from the eligibility status as of the previous
 assessment date resulting from a reason other than a failure
 to properly apply for a credit or deduction.

(h) For the assessment of agricultural land for assessment dates
 to which the real property assessment guidelines of the department
 of local government finance apply, the base rate determined by the

(a) Subject to the limitations and requirements prescribed in this section, the department of local government finance may revise, reduce, or increase a political subdivision's budget, tax rate, or tax levy which the department reviews under section 8 or 10 of this chapter.

within a political subdivision whose budget, tax rate, or tax levy is the subject of an appeal initiated under this chapter.

(c) Except as provided in ~~subsection~~ **subsections (j) and (k)**, before the department of local government finance reviews, revises, reduces, or increases a political subdivision's budget, tax rate, or tax levy under this section, the department must hold a public hearing on the budget, tax rate, and tax levy. The department of local government finance shall hold the hearing in the county in which the political subdivision is located. The department of local government finance may consider the budgets, tax rates, and tax levies of several political subdivisions at the same public hearing. At least five (5) days before the date fixed for a public hearing, the department of local government finance shall give notice of the time and place of the hearing and of the budgets, levies, and tax rates to be considered at the hearing. The department of local government finance shall publish the notice in two (2) newspapers of general circulation published in the county. However, if only one (1) newspaper of general circulation is published in the county, the department of local government finance shall publish the notice in that newspaper.

(d) Except as provided in subsection (i), IC 6-1.1-19, or IC 6-1.1-18.5, the department of local government finance may not increase a political subdivision's budget, tax rate, or tax levy to an amount which exceeds the amount originally fixed by the political subdivision. The department of local government finance shall give the political subdivision written notification specifying any revision, reduction, or increase the department proposes in a political subdivision's tax levy or tax rate. The political subdivision has one (1) week from the date the political subdivision receives the notice to provide a written response to the department of local government finance's Indianapolis office specifying how to make the required reductions in the amount budgeted for each office or department. The department of local government finance shall make reductions as specified in the political subdivision's response if the response is provided as required by this subsection and sufficiently specifies all necessary reductions. The department of local government finance may make a revision, a reduction, or an increase in a political subdivision's budget only in the total amounts budgeted for each office or department within each of the major budget classifications prescribed by the state board of accounts.

(e) The department of local government finance may not approve a levy for lease payments by a city, town, county, library, or school corporation if the lease payments are payable to a building corporation

for use by the building corporation for debt service on bonds and if:

- (1) no bonds of the building corporation are outstanding; or

(f) The department of local government finance shall certify its action to:

- (1) the county auditor; ~~and~~
- (2) the political subdivision if the department acts pursuant to an appeal initiated by the political subdivision;
- (3) the first ten (10) taxpayers whose names appear on a petition filed under section 13 of this chapter; and**

- (2) If the department acts under an appeal initiated by taxpayers under section 13 of this chapter, a taxpayer who signed the petition under that section.
- (3) If the department acts under an appeal initiated by the county auditor under section 14 of this chapter, the county auditor.
- (4) A taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.**

The petition must be filed in the tax court not more than forty-five (45) days after the department certifies its action under subsection (f).

(h) The department of local government finance is expressly directed to complete the duties assigned to it under this section not later than February 15th of each year for taxes to be collected during that year.

(i) Subject to the provisions of all applicable statutes, the department of local government finance may increase a political subdivision's tax levy to an amount that exceeds the amount originally fixed by the political subdivision if the increase is:

- (1) requested in writing by the officers of the political subdivision;
- (2) either:

(B) results from an inadvertent mathematical error made in determining the levy; and

(3) published by the political subdivision according to a notice provided by the department.

(j) The department of local government finance shall annually review the budget of each school corporation not later than April 1. "SECTION 17. IC 6-1.1-21.8-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 4. (a) The board shall determine the terms of a loan made under this chapter. However, the interest charged on the loan may not exceed the percent of increase in the United States Department of Labor Consumer Price Index for Urban Wage Earners and Clerical Workers during the most recent twelve (12) month period for which data is available as of the date that the unit applies for a loan under this chapter. In the case of a qualified taxing unit that is not a school corporation or a public library (as defined in IC 20-14-1-2), a loan must be repaid not later than ten (10) years after the date on which the loan was made. In the case of a qualified taxing unit that is a school corporation or a public library (as defined in IC 20-14-1-2), a loan must be repaid not later than eleven (11) years after the date on which the loan was made. A school corporation or a public library (as defined in IC 20-14-1-2) is not required to begin making payments to repay a loan until after June 30, 2004. The total amount of all the loans made under this chapter may not exceed twenty-eight million dollars (\$28,000,000). The board may disburse the proceeds of a loan in installments. However, not more than one-third (1/3) of the total amount to be loaned under this chapter may be disbursed at any particular time without the review of the budget committee and the approval of the budget agency.

(b) A loan made under this chapter shall be repaid only from:

(1) property tax revenues of the qualified taxing unit that are

subject to the levy limitations imposed by IC 6-1.1-18.5 or IC 6-1.1-19; or

(2) in the case of a school corporation, the school corporation's debt service fund; or

~~(2)~~ **(3)** any other source of revenues (other than property taxes) that is legally available to the qualified taxing unit.

The payment of any installment of principal constitutes a first charge against the property tax revenues described in subdivision (1) that are collected by the qualified taxing unit during the calendar year the installment is due and payable.

(c) The obligation to repay a loan made under this chapter is not a basis for the qualified taxing unit to obtain an excessive tax levy under IC 6-1.1-18.5 or IC 6-1.1-19.

(d) Whenever the board receives a payment on a loan made under this chapter, the board shall deposit the amount paid in the counter-cyclical revenue and economic stabilization fund.

(e) This section does not prohibit a qualified taxing unit from repaying a loan made under this chapter before the date specified in subsection (a) if a taxpayer described in section 3 of this chapter resumes paying property taxes to the qualified taxing unit.

(f) Interest accrues on a loan made under this chapter until the date the board receives notice from the county auditor that the county has adopted at least one (1) of the following:

- (1) The county adjusted gross income tax under IC 6-3.5-1.1.
- (2) The county option income tax under IC 6-3.5-6.
- (3) The county economic development income tax under IC 6-3.5-7.

Notwithstanding subsection (a), interest may not be charged on a loan made under this chapter if a tax described in this subsection is adopted before a qualified taxing unit applies for the loan."

"SECTION 27. [EFFECTIVE UPON PASSAGE] (a) As used in this SECTION, "assessment date" has the meaning set forth in IC 6-1.1-1-2.

(b) For the property tax assessment of agricultural land for assessment dates in 2005 and 2006, the statewide agricultural land base rate value of eight hundred eighty dollars (\$880) per acre is substituted for the statewide agricultural land base rate value of one thousand fifty dollars (\$1,050) per acre in the real property assessment guidelines of the department of local government finance that apply for those assessment dates.

(c) This SECTION expires January 1, 2008.

SECTION 28. [EFFECTIVE UPON PASSAGE] (a) The definitions

in IC 6-1.1-1 apply throughout this SECTION.

(b) As used in this SECTION, "taxpayer" means a nonprofit corporation that is an owner of land and improvements:

(1) that were:

(A) owned and occupied by the taxpayer during the period preceding the assessment date in 1999 and continuing through the date that this SECTION is effective; and

(B) used to prepare and create a soccer facility to provide youths with the opportunity to play supervised and organized soccer against other youths;

(2) for which the property tax liability imposed for property taxes first due and payable in 2000, 2001, 2002, 2003, and 2004 exceeded thirty-three thousand dollars (\$33,000), in total, which has been paid by the taxpayer;

(3) that would have qualified for an exemption under IC 6-1.1-10 from property taxes first due and payable in 2000, 2001, 2002, 2003, and 2004 if the taxpayer had complied with the filing requirements for the exemption in a timely manner; and

(4) that have been granted an exemption under IC 6-1.1-10 from property taxes first due and payable in 2005.

(c) Land and improvements described in subsection (b) are exempt under IC 6-1.1-10-16 from property taxes first due and payable in 2000, 2001, 2002, 2003, and 2004, notwithstanding that the taxpayer failed to make a timely application for the exemption on or before May 15 of the years listed in this subsection.

(d) The taxpayer may file claims with the county auditor for a refund for the amounts paid toward property taxes on land and improvements described in subsection (b) that were billed to the taxpayer for property taxes first due and payable in 2000, 2001, 2002, 2003, and 2004. The claims must be filed as set forth in IC 6-1.1-26-1(1) through IC 6-1.1-26-1(3). The claims must present sufficient facts for the county auditor to determine whether the claimant is a person that meets the qualifications described in subsection (b) and the amount that should be refunded to the taxpayer.

(e) Upon receiving a claim filed under this SECTION, the county auditor shall determine whether the claim is correct. If the county auditor determines that the claim is correct, the county auditor shall submit the claim under IC 6-1.1-26-4 to the county board of commissioners for review. The only grounds for disallowing the claim under IC 6-1.1-26-4 are that the claimant is

**C

P

not a person that meets the qualifications described in subsection (b) or that the amount claimed is not the amount due to the taxpayer. If the claim is allowed, the county auditor shall, without an appropriation being required, issue a warrant to the claimant payable from the county general fund for the amount due the claimant under this SECTION. The amount of the refund must equal the amount of the claim allowed. Notwithstanding IC 6-1.1-26-5, no interest is payable on the refund.

(f) This SECTION expires December 31, 2007.

SECTION 29. [EFFECTIVE UPON PASSAGE] (a) The definitions in IC 6-1.1-1 apply throughout this SECTION.

- (2) the exemption determination made under subdivision (1) is subject to appeal;

in the same manner that would have applied if an application for exemption had been timely filed in 2000 and 2001.

(2) an exemption application filed under subsection (b) is approved;
